### 1 x Horse/Cattle Blade

Priced at £9.00 (inc. return postage and packaging)

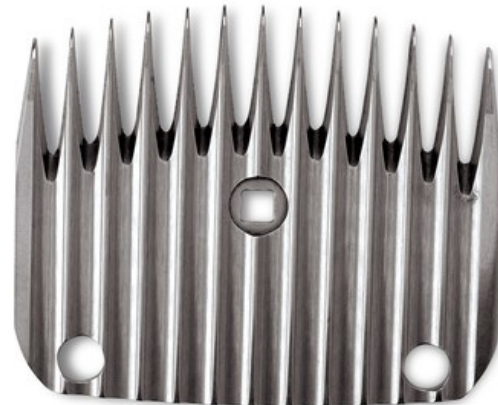

The top cutter and bottom comb blade are classified as 1 Horse/cattle blade. This classification applies to all Lister, Heiniger, Liveryman, Kerbl, Hauptner, Liscop, Wolseley and Masterclip branded blades.

Please Note: Part of the sharpening process involves lapping the top and bottom blade together. Therefore, we cannot sharpen just the top or bottom blade—they **must** be received as a pair.

### 1 x Lister Wizard Blade

Priced at £9.00 (inc. return postage and packaging)

Lister Wizard blades- - these blades are typically used on sheep and dirty cattle.

## 1 x Horse/Cattle Blade

= Priced at £9.00 (inc. return postage and packaging)

All snap-on wide blades (15W and 10W blades) are classified as Horse/Cattle Blades.

## 1 x Pet/Trimmer Blade

= Priced at £8.00 (inc. return postage and packaging)

Here's a selection of blades that are classes as Pet/Trimmer blades. All A5 snap-on blades (with the exception of wide blades) are classified as pet/trimmer blades along with a variety of different branded blades.

Please Note: with the exception of Moser Rex and some Wahl blades, you should not need to unscrew the blades to remove them from your machine. Unscrewing your blades will affect the tension and performance of the blade. We need all parts of the blade to sharpen it.
