

PLEASE NOTE

Please send in well packaged - we will contact you for payment details when we are ready to return them to you.

If you are in a hurry to have your machine returned, please ring 01823 681076 in advance to find out the current turnaround time. During our peak times from September until December, it can take up to four weeks - so please ring for confirmation during this time if it is urgent.

All servicing is carried out on site by experienced engineers. We are clipper specialists and are used to servicing and repairing all makes of clippers. When we have received your clippers, they are booked in in date order. Once they have been repaired or assessed through our workshop and are ready to be despatched, we will ring you with payment details / our quote at that time.

Please ensure your clippers are clean, well packed and protected. Please send them via a tracked form of delivery. We advise removing the blades before sending.

When sending machines please include your name, address and daytime telephone number, with an indication of what issues you are having or whether it is a general service that is required.

All clippers will be returned securely packaged by special delivery or Parcelforce, these are services which will require a signature upon delivery.

If you need to speak to someone about anything please call 01823 681076 and talk to a member of the sales team who will assist you with your query.
